

Power Cable

LinkIT Power C14 to C5| LSZH 2 m
C14 to "Mickey Mouse"| 3 x 1.5 mm²

Product number: DEL-109C-C14-C5HF

Product Description

LinkIT Power Cable C14/C5 is a high-quality, versatile cable designed for reliable power delivery to your electronic devices. This cable is ideal for use with computers, monitors, and other devices that require a C14 input, and it features a robust construction that ensures longevity and safety in demanding environments.

Whether you're setting up a workstation, connecting your server, or replacing a worn-out cable, the LinkIT Power Cable guarantees efficient performance and meets international safety standards. With a maximum voltage of 250V and a rated current of 2.5A, it provides stable power transfer while protecting your devices from potential electrical issues.

Main Specifications

Brand	LinkIT
Color	Black
Length (m)	2
Connector type 1	C14 (M)
Connector type 2	C5 (F)

Extended Specifications

Jacket material	LSZH
Angle contact 1	Straight

Angle Contact 2	Straight
Voltage	250V
Amperage	2.5A
Operating Temperature	-20 - 70 °C
Halogenfree	✓
With Earthing	✗
Certifications	REACH, RoHS
