

LinkIT Fiber patchpanel 48 core SC & LC

48 fiber | 1U | Duplex | splicebox

Product number: LI-FPP48SCLC-DU-SP

Product Description

A flexible and robust fiber patch panel that combines user-friendliness, quality, and structure. The slide-out drawer provides easy access during both installation and maintenance, while interchangeable adapter plates make the panel compatible with both LC-DPX and SC-DPX. With multiple cable entries, a removable splice tray, and complete accessories, this solution ensures order and reliability in your fiber network.
