

LinkIT 19" Strømskinne 8xCEE 7/4 3m

Product number: LI-PDU8SBAMP-1U-3MB

Product Description

The LinkIT 19" Powerrail with 8 CEE 7/4 outlets is a durable and practical power distribution unit for rack mounting. It provides stable power delivery with an IEC 60309 input and a built-in ammeter for easy monitoring. With a 3-meter cable and solid aluminium housing, it is ideal for professional use in server racks and technical installations.
