

## Shielded RJ45 plug

**LinkIT Shielded RJ45 plug & black boot**  
50μ gold-plated | AWG 23-26 | 25 of each

Product number: LI-RJ45STP-PB-783

## Product Description

LinkIT Shielded RJ45 Plug with Black Boot is a reliable and high-performance RJ45 plug with shielding, designed for stable and interference-free network connections. This plug features a 50 μ gold-plated connector and is suitable for inner wire diameters of 1.2 mm to 1.35 mm. It fits cables with an outer diameter of 7.0 mm to 8.3 mm and AWG 23 to AWG 26. The product comes with a black strain relief boot that provides added protection and stability for the cable. The product is delivered in a jar with 25 pieces of both the plug and strain relief boot, making it ideal for professional installers
