## **CBK Conflict Mineral Statement**

### **CBK's Dedication to Responsible Mineral Sourcing**

At CBK, we firmly uphold our ethical responsibility to ensure that the minerals integrated into our supply chain do not perpetuate conflict or human rights abuses in regions affected by strife. Our commitment is rooted in principles of integrity, and we align our practices with the guidelines and requirements outlined in the Dodd-Frank Wall Street Reform and Consumer Protection Act Section 1502, while also unwaveringly adhering to relevant international standards.

### **Prioritizing Ethical Mineral Sourcing**

Our foremost priority is to establish a resolute disconnect from any minerals that could potentially be linked to armed conflict, human rights violations, environmental degradation, or any other form of unethical activities.

### **Comprehensive Due Diligence**

CBK engages in meticulous due diligence to identify the precise sources of minerals and metals within our supply chain. This process entails close collaboration with our suppliers to ensure their strict adherence to internationally recognized responsible sourcing practices. We ensure that they exclusively source materials from reputable, responsible, and conflict-free origins.

### **Transparent Traceability**

Maintaining transparency is pivotal in our supply chain operations. We diligently trace the origins of minerals and metals utilized in our products, assuring that these materials do not contribute to conflict or any adverse impact.

## **Continuous Enhancement**

CBK is steadfast in our dedication to enhancing responsible sourcing efforts. We proactively stay attuned to emerging issues, refining our due diligence processes, and seamlessly integrating responsible sourcing principles into our overarching business strategies.

## **Living Up to Our Commitment**

This Mineral Conflict Statement is not confined to words on a page; it symbolizes an enduring and evolving commitment that reflects our unwavering dedication.
