

## Wall Controller

### Stoltzen Poseidon CP86 86x86 Control Processor

720p | 86x86mm | PoE | Trident™

Product number: CP86

## Product Description

Dive into the next generation of touch control panels with the CP86. Elegantly designed for modern applications, it seamlessly merges with spaces such as automated office systems, multimedia rooms, and smart homes. Its advanced programmable touch interface integrates with configuration protocols, fostering an intelligent networking experience tailored for AV/IT installations.

## Main Specifications

<b>Brand</b>	Stoltzen
<b>Color</b>	Space Grey
<b>Measurements (WxHxD)</b>	86 (W)x38mm (D)x86mm (H)
<b>Power Supply</b>	PoE
<b>Baudrate</b>	2400, 4800, 9600, 19200, 38400, 56000, 57600
<b>Processor / Ram / Flash</b>	CPU:RK3566 RAM:4GB Flash:32GB
<b>Ports</b>	1x RS-232 1x LAN
<b>Program Port</b>	LAN
<b>Output Connector</b>	RS232: 1 x 3pin-3.81mm Phoenix Connector (male)

## **Extended Specifications**

<b>Operating Humidity</b>	10~90% RH (non-condensing)
<b>Operating Temperature</b>	32 - 104°F / 0 - 40°C
<b>Storage Temperature</b>	-20°C to 60°C (-4°F to 140°F)
<b>EAN</b>	7072262013039
<b>Net Weight</b>	186g
