

DisplayPort

Elivi DisplayPort 1.2 4K@60 5 m
4K@60 | Black | v 1.2

Product number: ELV-DP12-MM-050

Product Description

The Elivi DisplayPort 1.2 4K@60 Black Cable is engineered to meet the high demands of modern business environments. Supporting resolutions up to 4K at 60Hz, it ensures sharp, vibrant visuals, making it perfect for business applications such as video conferencing, multi-display setups, or digital signage. Designed with durability in mind, this cable features an outer diameter of 7.3mm for enhanced protection and longevity, making it well-suited for frequent use in office spaces or commercial settings. With full compatibility to DisplayPort 1.2 standards, it offers businesses reliable and fast data transfer, enabling seamless connections between monitors, laptops, and high-performance workstations
