

## HDMI 2.0

**Elivi HDMI 2.0 4K@60 2 m**

High Speed, Ethernet, 4Kx2@60Hz, AWG 30

Product number: ELV-HDMI20-MM-020

## Product Description

The Elivi HDMI 2.0 4K@60 High Speed cable supports up to 4K resolution at 60Hz, providing exceptional video quality for demanding applications like home entertainment and professional presentations. The cable features Ethernet support, allowing you to connect networked devices without using extra cables, offering a more convenient and streamlined setup. With high-speed data transfer, it is perfect for audio and video applications that require reliable and fast performance. This cable is an ideal choice for both personal and professional users seeking a reliable, high-performance HDMI solution.
