

## Network Cable Fiber

### LinkIT fiberpatch OM2 LC/SC 6m

Multimode | Duplex | LSZH | Orange

Product number: FPD52LPSP-060

## Product Description

OM2 is a multi-mode fiber with a core diameter of 50  $\mu\text{m}$ . The smaller core diameter provides better range than OM1, but still quite limited for high bit rates. OM2 fiber is fully compatible with newer types of multimode fiber since all of these have a core diameter of 50  $\mu\text{m}$ . Most of our OM2 cords come with an orange outer sheath and clean connectors of top quality. They come with clips that make it easy to change polarity.

## Main Specifications

|                                 |                    |
|---------------------------------|--------------------|
| Brand                           | LinkIT             |
| Color                           | Orange             |
| Length (m)                      | 6                  |
| Category                        | OM2                |
| Connector type 1                | LC                 |
| Connector type 2                | SC                 |
| Polishing contact 1             | UPC                |
| Polishing contact 2             | UPC                |
| Cable type                      | Duplex             |
| Number of fibers                | 2                  |
| Core Diameter ( $\mu\text{m}$ ) | 50/125 - Multimode |

## Extended Specifications

|                    |         |
|--------------------|---------|
| Transmission speed | 10Gbps  |
| Jacket material    | LSZH    |
| Anti-kink sleeve   | Moulded |

|                     |          |
|---------------------|----------|
| Cable Diameter (mm) | 2        |
| Halogenfree         | ✓        |
| Certifications      | CE, RoHS |

## Single packaging

|          |     |
|----------|-----|
| Unit     | PCE |
| Quantity | 1   |
