

HDMI MPO

Stoltzen MPO cable for HDMI 5 m
MPO cable for HDMI distribution

Product number: MPO-5m-KIT

Product Description

Fiber optics provides the speed and bandwidth needed for the best video and/ or audio quality. The MPO cable can be installed without the Tx and Rx connectors. This can be added later or upgraded from HDMI 2.0 to 2.1, without need to re-wire or replace the cable. Once the bi-direction MPO cable has been prewired, it is ready for source and display connections. This cable is developed with future upgrades in mind, being capable of 72Gbps bandwidth to support a variety of connectivity interfaces in future..
