

USB Power Cable

Stoltzen AOC Power USB A 5v 0.5A

External power to Stoltzen Hybrid cable

Product number: SHDC-USB-5v

Product Description

AOC (Active Optical Cable) contains both copper and fiber conductors for optimal signaling. By using fiber for the transmission of image / data signals, and copper for control and voltage signals, one can easily achieve lengths far above what is normal for copper cables.

Main Specifications

Brand	Stoltzen
Contact	USB A Male
Voltage	5V
Ampere	0,5A

Extended Specifications
