STOLTZEN®

Adapter Tool

Stoltzen Nyx Adapter Tool - Torx
Tools for modifying NYX rings

Product number: ST-ADRT

Product Description

With Stoltzen NYX adapters, you always have the connection you need at hand. With the rapid development of technology and connections, you can add and remove adapters to ensure that the connections are always up-to-date and can ensure a safe, stable and correct connection for yourself and your colleagues. Different adapters support different resolutions, and the transition from 2K to 4K - and eventually to 8K has never been easier!
