

## Wall Cabinet

**LinkIT Wall Cabinet Hinged 12U Black**  
W600xD600xH635 | Glass - Hinged frame

Product number: LI-WRH606012B-G

### Product Description

LinkIT double-hinged Wall Cabinet is a robust and space-saving cabinet designed for professional network and IT installations. The cabinet features a tempered glass door with a solid frame, cylinder lock, and a hinged rear section that allows the cabinet body to swing open for easy access to equipment and cabling from the rear. Removable side panels with lock provide additional access and increased security. Multiple cable entries on the top, bottom, and rear provide flexible installation and efficient cable management. Integrated grounding studs ensure safe operation. The cabinet is compatible with standard 19" rack equipment and is supplied with screws, cage nuts, and mounting tool for easy installation. Available in multiple heights, depths, and colors to suit various installation requirements. CE and RoHS compliant with a 10-year warranty.

<b>Rail number</b>	4
<b>Guarantee (years)</b>	10
<b>Certifications</b>	CE, RoHS
<b>Accessories</b>	10 screws and cage nuts, 1 wrench

## Single packaging

<b>Unit</b>	PCE
<b>Height (cm)</b>	69,5
<b>Width (cm)</b>	66
<b>Length(cm)</b>	66
<b>Weight (kg)</b>	32
<b>Gross Weight (kg)</b>	33,5

## FMOM Documentation

**Function:** Professional 19" wall-mounted cabinets designed for secure installation of network, IT, and AV equipment with efficient cable routing and space-saving design.

**Maintenance:** Regularly inspect grounding points, locks, mounting rails, and removable panels. Clean glass surfaces and ventilation openings to maintain optimal airflow and operational safety.

**Operation:** Intended for indoor installation in technical rooms, offices, server environments, and structured cabling installations. Ensure correct load distribution and adequate ventilation during operation.

**Management:** Supplied with tempered glass door, cylinder lock, removable lockable side panels, grounding studs, cable entries on top, bottom, and rear, and mounting accessories including screws, cage nuts, and installation tool.
